FAMILY ENGAGEMENT PLAN 2019-2020

Family Engagement Plan is A.I. Prince Technical High School's map to: Improved Family Involvement, Supporting Academic Achievement, and Supporting Positive School Climate. This plan is jointly developed by the parents and staff to support student achievement.

Key Connections with Families

One Read: Students, Staff and Parents will be encouraged to read the same books and engage in fun activities around the reading

Take Your Parent to Shop Day: Parents of sophomore students will be encouraged to spend a portion of the day in their child's shop learning what they do on a daily basis

Honor Roll Ceremony: Students will be honored by staff for their academic achievement and families will be invited to attend

Falcon Card: Staff recognition of students in the areas of: academic excellence, productivity, perseverance, citizenship, and respect. A post card will be mailed home, and student will be invited to celebration event

Student of the Month: Monthly recognition of students that show citizenship, character and participation. Student will be invited to celebration event, picture will be displayed on bulletin board

3. School Website- <http://www.cttech.org/prince>
4. Parent Square- sign up to receive principal newsletter, and communication from the school by email or text
5. School phone number 860-951-7112

Contact support services personnel

School Psychologist: Ms. Freedman
x5046

School Social Worker: Ms. Jones x5031

Director of School Counseling: Ms. Higgins x5123

School Counselors:

Ms. Bezares x5119

Ms. Tardif x5131

Ms. DeJoseph x5042

Mr. West x5035

District Goals

Goal 1: Climate Goal

By Spring of 2020, the district will improve the ranking by students for social-emotional security from 11 to 9 as measured by the national school climate center survey.

Goal 2: Absenteeism Goal

By Spring of 2020, the overall CTECS district teacher attendance will decrease by 5% in comparison to the 2018-2019 school year.

Goal 3: Academic Goals

3A1: By Spring of 2020, 50% of CTECS Students will be at or above the 50th percentile on STAR Reading.

3A2: By Spring of 2020 50% of the 11th grade SAT test takers will be at or above the Evidence-Based Reading and Writing (ERW) Benchmark (480) on the CT School Day SAT.

3A3: By Fall of 2019, 50% of the 10th grade PSAT/NMSQT test takers will meet or exceed the Evidence-Based Reading and Writing (ERW) Benchmark (430) on the Fall SAT.

3A4: By Fall of 2019, 50% of the 11th grade PSAT/NMSQT test takers will meet or exceed the Evidence-Based Reading and Writing (ERW) Benchmark (460) on the Fall SAT.

Math Goal 3B1: 100% of the students will be on pace to graduate with three credits of math (no failures in non MBL and all MBL students fall within the pacing).

Math Goal 3B2: By Fall of 2019 50% of the Grade 10 students who earned credit in Algebra I (or higher) will meet or exceed the math benchmark on the Fall PSAT.

Goal 4: Career Technology Goal

By Spring of 2020, all CTE programs will increase Work Based Learning participation by 20%.

Goal 5: Parent Participation

Parent Participation rate at the district level in Parent School Connectedness Survey completion will be 40% by Spring of 2020.

School Goals

1. Climate Goal: By Spring 2020, A.I. Prince Technical High School will improve positive response rates in the school climate survey: sense of social and emotional security
2. Chronic Absenteeism Goal: By the Spring of 2020, teacher attendance at A.I. Prince will improve 3% over the previous year. Reduce student chronic absenteeism from 18% to 15% (link to plan below).
3. Academic Goals: By May 2020, Prince Tech 80% of grade 9 and 10 students will have demonstrated 100 scaled score points growth on STAR tests and grade 11 and 12 students will have demonstrated 50 scaled score points growth on STAR tests.

80% of the 9th graders will be on pace to graduate with three credits of math

90% of the 10th graders will be on pace to graduate with three credits of math

85% of the 11th graders will be on pace to graduate with three credits of math*

95% of the 12th graders will be on pace to graduate with three credits of math

Supporting the district goal, All 10th students will be exposed to test taking strategies for the PSAT

Supporting the District Goal, all 11th graders will receive instruction in and practice of material in preparation for the Spring SAT

4. Career Technology Goals: By Spring of 2020, A.I. Prince Technical High School will increase Work Based Learning participation
5. Parent Participation Goal: Parent Participation rate at A.I. Prince Technical High School in the Parent

School Connectedness Survey completion will be 20% by Spring 2020
